

SENIOR A & B 2011

Things you will need for the concert:

Make-up:

Stage make-up is required, please make sure you have a liquid foundation, blusher (powder or stick), Eye shadow, eyeliner and mascara. Please make sure you have applied heavier than normal day wear. I would also suggest to finish with a powder as faces get hot and sweaty under the stage lights. Use tones and colours that suit your complexion. You can also use any of the glitter eye shadows that are available at places such as Groove, Gas, Hair House Warehouse etc. If you have your ears/belly button pierced you are allowed to wear small diamond studs. Fake eyelashes are also permitted but not compulsory.

Shoes & Stockings:

You will require Taupe Tap shoes and Black Jazz runners, Ruby Glittered heels and Silver Glittered heels, clean pair of street runners (for the hip hop Sen B) Pink Ballet slippers for those ballet students. Please make sure your shoes are clean and polished and all marks are covered up. **All shoes and costumes are to be clearly named!** Dance stockings are required and can be purchased from Dance Art - Nunawading (366 Whitehorse Road) or Croydon (207 Mt Dandenong Rd). ***Brand Fiesta, GLOSS, Tan , Stirrup foot (heel exposed) Child - Adult sizes available for around \$25.00. Alternatively I can order through Dancewear Central for \$20.00. All orders must be pre-paid and finalised before the 17th November. Please place money in a labelled envelope with required size. They are good quality stockings and if well looked after should last a few years. Black fishnet stockings are also required. Please make sure they are NOT the large diamond, they must look like a net.

Hair : Please refer to attached picture:

This is a little hard to see, apologies. It is a braid across front of head basically from ear to ear, to secure all fringes. The back is to be straightened. It does not matter which way your braid runs. Lauren Goodsell and Ash Brady (seniors girls) are both trainee hair dresses and have offered their services on the concert days. \$5 if you supply your own gel, hairspray, bobby pins and bun pins, \$10 for them to supply all required products. You will however need to let us know ASAP if you are requiring this service so we can organise a time before the show. We are able to access the theatre an hour and a half before the shows starts so we will need to organise a booking system. If you are getting the girls to do your hair please make sure it is clean and has already been straightened before you arrive. Glitter hair spray will NOT be supplied but I encourage you to go all out!! Please make sure you have extra bobby pins to secure all head pieces, hair ties as the back of your hair will be put up for finale and safety pins for any costume malfunctions.
